

Cambridge Woods Neighborhood Association

Our Mission

Cambridge Woods Neighborhood Association (CWNA) is the eyes, ears and voice for those within the boundaries of the neighborhood. CWNA will strive to resolve issues and concerns affecting the neighborhood by working in partnership with university, commercial, neighborhood, and civic representatives. The Association will accomplish this by advocating for residents with elected officials and private businesses, through organizing and networking and through the formation of a cohesive neighborhood community. In addition to the establishment of neighborhood representation, efforts will focus on the enhancement of the neighborhood to improve quality of life in a fun, positive and productive manner.
