Excused: C. Dede, E. Ankel, L. Woodruff

Web Page Development

Klein raised issue of further development of our NA web site. Romberg stated that there is no development ongoing at this time. Discussion followed about adding at least calendar functionality to the site. Suggestion was also made to publish meeting minutes on the NA website.

Action Item:

Baran to send meeting minutes to Romberg for eventual inclusion in the web site.

Membership Drive

Klein offered a suggestion for a spring membership drive to increase membership in the NA. Projects undertaken by the NA benefit all residents of the neighborhood and should be offered as evidence of the benefits of membership to neighborhood residents. He stated his belief that a door-to-door canvass is the most effective way of generating interest in the NA.

Newsletter

There is still a need for an editor and content writers for the proposed newsletter. It was suggested that a newsletter be distributed during the proposed membership drive in the spring. More info will be forthcoming in the coming months.

Meeting adjourned 7:50 pm.
