Dear Ms. Ankel:

The Milwaukee Metropolitan Sewerage District (MMSD) is pleased to inform you that we have received third party funds to implement year one of your pilot project for the Cambridge Woods Neighborhood Association (CWNA). The project initiative is very important to proper management of stormwater and improving water quality. We would appreciate a quarterly memorandum on the status of the project.

Please contact Tom Chapman (414-225-2154) to discuss the details of beginning the work. We are looking forward to partnering with the CWNA on this important project.

Sincerely,

Kevin L. Shafer, P.E.
